### HOUSE JOINT MEMORIAL NO. 9 BY STATE AFFAIRS COMMITTEE A JOINT MEMORIAL

TO THE PRESIDENT OF THE UNITED STATES, TO THE SECRETARY OF THE DEPARTMENT OF STATE, TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-ninth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, for some fifty years, the United States has severely restricted trade with the island nation of Cuba;

WHEREAS, although Cuba remains under the control of that totalitarian regime, its people and Americans desire to develop better relations;

WHEREAS, if there is any chance for Cuba to evolve from a totalitarian regime to a democratic government, the United States must engage that country;

WHEREAS, other nations, including Canada and China, have availed themselves of trading opportunities in Cuba, especially in the area of agricultural products;

WHEREAS, both Cubans and Americans are desirous of developing trading opportunities that might be afforded between both countries;

WHEREAS, Idaho producers of pulse crops, seed potatoes, vegetable seeds, livestock, dairy products and processed foods are

ideally positioned to benefit from the market opportunities that free trade with Cuba would provide;

WHEREAS, greater interaction between the Cuban people and Americans through freer trading relationships and lessened travel restrictions can only enhance our mutual understanding and promote better economic relationships.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-ninth Idaho Legislature, the House of Representatives and the Senate concurring therein, that Idaho supports the removal of all trade, financial and travel restrictions relating to Cuba, the lifting of trade sanctions and the establishment of permanent and normal trade relations with Cuba.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the United States, the Secretary of the Department of State, the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

**HOUSE JOINT MEMORIAL NO. 10  
BY STATE AFFAIRS COMMITTEE  
A JOINT MEMORIAL**

TO THE SECRETARY OF THE INTERIOR, THE SECRETARY OF AGRICULTURE OF THE UNITED STATES DEPARTMENT OF AGRICULTURE, THE CHIEF OF THE U.S. FOREST SERVICE, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Fifty-ninth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, the U.S. Forest Service was established in 1905 as an agency of the United States Department of Agriculture for the purpose of managing public lands in national forests and grasslands; and

WHEREAS, the Wild and Scenic Rivers Act establishes a National Wild and Scenic Rivers System for the protection of rivers with important scenic, recreational, fish and wildlife, and other values. The act designates specific rivers for inclusion in the system and prescribes the methods and standards by which additional rivers may be added; and

WHEREAS, the Middle Fork of the Clearwater River was included in the Wild and Scenic River System in 1968, authorizing, among other things, the acquisition of easements from private landowners for the protection of the character of the river and its surroundings but was to retain the right for rural agricultural uses, including light ranching and farming operations; and

WHEREAS, the U.S. Forest Service has interfered with the use of such lands by private landowners within the state of Idaho on the Middle Fork of the Clearwater River, narrowly defining the scope of light ranching and farming operations and the term "livestock," all to the detriment of private landowners.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-ninth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the U.S. Forest Service should be prohibited from interfering,

pursuant to the Wild and Scenic Rivers Act, with the legitimate use by private landowners engaged in light ranching and farming operations.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the Secretary of the Interior, the Secretary of Agriculture of the United States Department of Agriculture, the Chief of the U.S. Forest Service, and the congressional delegation representing the State of Idaho in the Congress of the United States.

**HOUSE CONCURRENT RESOLUTION NO. 42  
BY HEALTH AND WELFARE COMMITTEE  
A CONCURRENT RESOLUTION**

STATING FINDINGS OF THE LEGISLATURE AND URGING THE DEPARTMENT OF HEALTH AND WELFARE TO WORK WITH THE FOOD SAFETY ADVISORY COUNCIL TO REVIEW CURRENT RESEARCH ON HEALTH RISKS PERTAINING TO NATURAL RUBBER LATEX USE IN FOOD PREPARATION AND RECOMMEND GUIDELINES TO DEAL WITH SUCH RISKS.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, improving and protecting the health of all Idahoans is a primary issue and an important goal of the state; and  
WHEREAS, latex allergy is an allergy to proteins in natural rubber latex which can be life threatening; and

WHEREAS, natural rubber latex (NRL) is found in more than 40,000 commonly used products in health care, child care, schools, communities and homes. Among persons who are predisposed to latex allergy, reactions can be elicited from not only touching a product containing natural rubber latex, but also from inhaling airborne protein particles and some highly latex-allergic individuals have had reactions to foods that were handled or prepared by people wearing latex gloves; and

WHEREAS, there are three types of NRL related reactions: "irritant contact dermatitis"; "type IV chemical sensitivity"; and "type I latex protein sensitivity" and type I reaction is the true latex allergy, with symptoms that may include hives, itchy eyes, wheezing, hoarseness, runny nose, asthma, rapid heartbeat, anaphylaxis and death; and

WHEREAS, people at increased risk of latex allergy include those with spina bifida, industrial rubber workers, healthcare workers, and children who have had multiple surgeries, and it is estimated that one to six percent of the general population have latex allergy; and

WHEREAS, latex related allergic reactions are preventable; and

WHEREAS, Idahoans should recognize that natural rubber latex can cause potentially serious allergic reactions and medical problems; and

WHEREAS, avoidance and education are crucial means for prevention, and individuals at risk for latex allergy should be educated on the importance of avoidance, symptom recognition and prevention strategies; and

WHEREAS, an increase in the awareness of latex allergy may reduce the number of individuals suffering from allergic reactions.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-ninth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Idaho Department of Health and Welfare is urged to work

with the Food Safety Advisory Council to review current research on health risks pertaining to natural rubber latex use in food preparation and recommend guidelines to deal with such risks.

**HOUSE CONCURRENT RESOLUTION NO. 43  
BY HEALTH AND WELFARE COMMITTEE**

**A CONCURRENT RESOLUTION**

STATING LEGISLATIVE FINDINGS, RECOGNIZING THE IMPORTANCE OF CHILDREN'S HEALTH, COMMITTING TO STRIVE TOWARD ENSURING THAT IDAHO'S CHILDREN HAVE ACCESS TO HIGH QUALITY, AFFORDABLE AND COMPREHENSIVE PRIMARY AND PREVENTIVE HEALTH AND DENTAL CARE SERVICES AND SUPPORTING NECESSARY PUBLIC AND PRIVATE OUTREACH EFFORTS TO HELP INCOME-ELIGIBLE IDAHO CHILDREN RECEIVE THE HEALTH CARE COVERAGE THEY NEED AND DESERVE WHILE SEEKING TO FIND A WAY TO PROVIDE HEALTH CARE COVERAGE FOR ALL IDAHO CHILDREN.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, we recognize children as our state's greatest resource and their health and well-being as Idaho's highest priority; and

WHEREAS, acknowledging, based both on research and experience, routine health and dental preventive care services for children are cost-effective and have long-term health and societal benefits; and

WHEREAS, healthy children are a key component in the overall health of the family in Idaho; and

WHEREAS, parents are responsible to provide for their child's health and dental care needs but frequently have trouble accessing affordable health coverage and health services for their children; and

WHEREAS, uninsured children are less likely to get health and dental preventive care and are more likely to inappropriately use hospital emergency rooms as their regular source of medical care, thereby passing on the very high costs of these services to other consumers, the state of Idaho, and the overall community; and

WHEREAS, in Idaho, there are approximately 43,500 uninsured children with an uninsured rate of approximately 11.6% among children ages birth through 18 years of age according to Idaho Kids Count 2007 Data Report; and

WHEREAS, our state policymakers have both the resolve and means to reach and decrease the number of uninsured children under 19 years of age who are income-eligible for free or low-cost health care coverage through Medicaid and SCHIP when the family income is below 185% of the federal poverty level (approximately 19,000 children); and

WHEREAS, the cost of SCHIP to the state of Idaho is greatly reduced by a very favorable federal match rate, making this coverage a great value; and

WHEREAS, untreated mental and physical illnesses contribute to additional health care costs and impede a child's ability to learn effectively in school and at home.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Fifty-ninth Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Idaho Legislature recognizes the importance of children's health and commits to strive toward ensuring that Idaho's children

have access to high quality, affordable and comprehensive primary and preventive health and dental care services.

BE IT FURTHER RESOLVED that we support necessary public and private outreach efforts to help income-eligible Idaho children receive the health care coverage they need and deserve while seeking to find a way to provide health care coverage for all Idaho children.
